

Chesapeake Bay Retriever Club

COVID RISK ASSESSMENT

PLEASE READ CAREFULLY - This Risk Assessment is in addition to the normal Risk Assessment

- There will be separate Entrance and Exit gates to the show ring clearly marked.
- Face masks must be worn IN THE RING. If you are exempt, please ensure you have an Exemption Certificate Card. A Government issued card can be printed off and worn on a lanyard or attached to a ring clip.
- Social distancing must be observed. This means 2 metres apart. If asked to separate by an official, please do so.
- There will be one-way systems in operation. Please pay attention to these.
- A Trace and Track form must be completed before arrival. This must be placed in a box on the Secretary's table upon arrival. This form will be emailed to all Exhibitors, Judges, Stewards and Committee along with a copy of this Risk Assessment prior to Show Day. If by chance you forget the T & T form, please see the Show Secretary to obtain another.
- Enter and exit rings in different places.
- Please familiarise yourself with these systems on arrival.
- Ring numbers and catalogues, with your name on, will be in a poly pocket for collection on arrival and will be placed on a table beside the Secretary's table.
- Rosettes, prize cards, prize money and gifts will not be handed out in the ring. These will be available for collection from a table near the show ring.
- Spectators will be allowed. They are requested to email the Secretary before the event with name and email address so that a risk assessment and Trace & Track form can be sent to them.
- Exhibitors and handlers must not sit within 2m of ringside to ensure social distancing is maintained with those exhibiting in the ring.
- All these measures are intended to keep you and others safe. Please abide by them.

IN THE RING

- Please use the separate entrance and exit to and from the ring. These will be clearly marked.
- Make sure you have a ring number on when you enter the ring.
- Keep 2 metres apart.
- Show the Judge your dog's teeth and follow instructions as given.
- The Judge will sanitize between examining each exhibit.
- Once the class has finished, please leave the ring by the designated exit.
- Classes must completely leave the ring before the next class enters.
- Judges are advised to complete their own judging book rather than allowing stewards to do so.
- These processes mean judging may take longer than is normally expected. Please be patient.

IN THE HALL

- Use a face covering whilst moving about the hall.
- Use the entrance and exit in the correct order. Sanitation stations will be available there.
- Keep groups small and socially distanced where possible or move the conversation outside.
- Use the pens provided in the packs for the silent auction sheets.

By attending the show, you agree to abide by the above conditions and do so at your own risk.
