

CBRC AGM Trophy Points System

Please be aware when submitting points that

- Only shows / working events in the UK are counted towards the points.
- Please only submit accurate results. Checks will be conducted.
- If you win a category / trophy you don't have to be present at the AGM to collect. Trophies can be passed on to owners at a later date.
- All Trophies shall be returned in a clean and good condition. Returning trophies that are damaged or not in clean condition WILL result in offenders not being allowed to take home further trophies.
- Results submitted after closing dates will not be considered.
- Chesapeake Working Certificates or Kennel Club Working Certificate do not qualify for points.
- Only Kennel Club licenced shows and working tests can be used (unable to count charity or fun shows or working tests).
- Please submit results throughout the year. This helps keep track of points regularly and allow for monthly updates on the website.
- If you wish to see a breakdown of your dog's points – please get in touch.
- Please send all points details to cbrcpoints@gmail.com
