CBRC Autumn Working Test Weekend 2026

28-30 August 2026

St Clears, Carmarthenshire

This year the CBRC autumn working test is going to be held over the August bank holiday weekend at a beautiful location on the River Taf between St Clears and Laugharne in Carmarthenshire, South Wales.

We will be having a training day on the Saturday, and our club working test on the Sunday, but we have booked the campsite for the whole bank holiday weekend so if you wish, you can make it a holiday for Chesapeakes.

The location

The Marsh Campsite, Morfa Bach, St Clears, Carmarthenshire SA33 4HD

The Chesapeake Bay Retriever Club has sole use of the campsite and 60 acre training ground from Friday to Monday. The campsite has a farm shop, toilet and showers, and the training ground is 60 acres of varied ground, including a river.

The cost

A fee of £100 will cover camping for three nights (Fri, Sat, Sun nights), and the training day (for one dog) on the Saturday.

Training day

If you are camping, the cost of the training day is included. If you would like to train two dogs, you can either swap dogs at lunchtime, or pay an extra £50 per dog.

If you would like to come to the training day, but prefer not to camp, the training day cost will be £50.

Reserving your place

Places on the campsite are limited, in particular the pitches with hook-ups. You can reserve your pitch by paying a £50 deposit per tent, camper or caravan now. The remainder can be paid nearer the time, when the entry form and further details go live.

You can pay your deposit by bank transfer direct to the Chesapeake Bay Retriever Club, using the payment reference **AWT2026**.
